The Big Conversation

HAPPY
Holidays

Welcome to the 16th Issue and Festive Edition of The Big Conversation newsletter. The Big Conversation team would like to wish you all a safe, happy Holiday and New Year and thank you for all of your hard work

and contributions to The Big Conversation throughout 2023. It has been an incredible year and we look forward to more conversations with you all in 2024.

THE BIG CONVERSATION ROADSHOWS

The Big Conversation team visited The Vale of Leven on the 14th of December. It was expectedly a very busy time for staff with winter pressures so the team used the time to visit some wards, sharing resources to raise awareness of The Big Conversation and of course some sweet treats!

Our Roadshows have now come to an end for the year and will resume in February 2024 after a short break to support our colleagues over the winter months. We will however continue to keep you all updated through this newsletter, and would be delighted to hear of any conversations you have been holding locally big or small. Please send to:

A LOOK BACK ON 2023...

We would like to take the opportunity to thank each and every one of the staff who have taken time out of their very busy days to come and chat to us throughout the year. Your input has truly been invaluable and we hope that you will see this reflected within the Final Nursing and Midwifery Strategy. Here are just some of the amazing moments shared through The Big Conversation this year. Thank you all!

STRATEGY UPDATE/NEXT STEPS

A festive themed Strategy development session was held during the Nursing and Midwifery Council meeting on the 20th of December. The group had the opportunity to look at the first draft of the strategy and contribute their opinions and ideas. It was a very valuable session with lots of great ideas to help the writing group develop the strategy further. We look forward to continuing our co-production model and sharing with other staff groups soon.

MOVING FORWARD – WHAT'S NEXT

While we are now beginning to reach the final stages of our strategy development, we assure you that this is not the end of The Big Conversation. The opportunities that this project has created for staff to engage with each other are too valuable to lose. We are working on the next stages of our discussions for you all

but in the meantime please keep sending us any more feedback, talking to your teams and chatting with us at roadshows.

Let's keep The Big Conversation going!

Thank You and How to Find Out More

Lastly, there's a PowerPoint presentation available for all staff to access which provides the key themes in addition to the initial slides which give detailed information on the purpose and aim of *The Big Conversation*. You can access the presentations at the following links:
