Welcome to the 10th edition of The Big Conversation newsletter! We're grateful for your continued support. As usual the team has been busy talking to you all at events, key themes forums, and more. Read on to learn more about what we've been up to and how you can get involved.

LOGO REVEAL

The results are in! We are excited to reveal our new Logo, chosen by all of you to represent our brand. We thank you all for your input. This logo will be used to signify *The Big Conversation*. When you see this, you will know the idea has come from *The Big Conversation* and that we are truly putting your ideas into action. Look out for it.

TISSUE VIABILITY EVENT

The Tissue Viability team had the brilliant idea of using their study day as an opportunity to have their own *Big Conversation*. An amazing 120 nurses took part. The group was led by Heather Hodgson who told us *“There was great engagement and motivated discussion around the 3 questions”*. We received lots of valuable feedback from the event. Thank you to all involved!

THE BIG CONVERSATION ROADSHOWS

This week we visited Kirkintilloch Health and Care Centre. We received an extremely warm welcome, with staff providing cake, sweets, tea and coffee! The afternoon was a great success. All staff enjoyed the opportunity to come together and share their opinions and experience of nursing. The conversations were thoughtful and engaging with a real focus on value, staff support and respect making the workplace more enjoyable. We also discussed student support and preparation for practice along with documentation and IT systems. A rich and diverse conversation – thank you!

KEY THEMES FORUMS

Our Key Themes Forums have come to an end. We would like to thank everyone for their participation and contribution to the success of these forums. The Big Conversation team are sharing everything from your conversations and feedback with Professor Angela Wallace and the Chief Nurses at a specially designed feedback session. Your thoughts and feelings, ideas and suggestions are directly influencing the next phase as we move towards building our vision and Nursing and Midwifery strategy.

FEEDBACK FROM OUR NEW QUESTION

We have received lots more responses to our new question. These will also be presented at the Nursing and Midwifery strategy event on Friday and used as inspiration to build the vision and mission for the strategy. We are looking forward to sharing the next steps as we move forward with the conversation.

Are you Creative? Would you like to get involved in *The Big Conversation*? Do you know a talented colleague/staff member with a creative flair who could help us? We need you!

We are looking to form a design group to help with the branding of the new strategy for Nursing and Midwifery. If this sounds like something you would be interested in, or know of anyone who may be interested, please send names and contact details to: ggc.bigconversationsfeedback@ggc.scot.nhs.uk
