

Advice Request on Decontamination of Medical Devices

Complete and return to

ggc.infectioncontroldcontamination@ggc.scot.nhs.uk

Date	Requesting Person	Contact Details
4/42016	MORAG CLARK RGN	201 [8]0035
Name of device	BARD BIOPSY GUN	
Use (including type of patient and procedure)	CORE BIOPSY [BREAST]	
Reason for new device		
Manufacturer		Re-usable / Single Use?
BARD		REUSABLE
Query	Do we need an individualised decontamination process sheet for this device? If so where do we get this from?	
Details of manufacturers recommended decontamination	Clean with detergent wipes after each use unless visibly contaminated. Once weekly autoclaving.	
Recommendation of Decontamination Group	The group advise single-use or send to Cowlairs CDU for cleaning and sterilization. Service users should review the current market for disposable items.
