

Top Tips After Your Dietetic Interview

You've done it – now what?

1

Be Patient and Try to Relax

Successful candidates will usually hear from the panel within 24/48 hours. Try and relax until you hear the outcome.

2

Ask for Constructive Feedback

Ask for constructive feedback on all aspects of the process; application, presentation and responses.

3

Use Feedback to Improve

Use feedback to improve your application and interview techniques for any future applications.

4

If Successful, Take the Next Steps

If successful, fill out any relevant paperwork ASAP. Make your references aware they will be contacted.

5

Every Interview Counts

Remember – all interview experience is an opportunity to showcase and develop your professional skills!
