

**NHS GREATER GLASGOW & CLYDE
2015 – 16 ANNUAL REVIEW**

Welcome to NHS Greater Glasgow and Clyde's 2015-16 Annual Review and thank you for making the time to attend.

On behalf of Ms Shona Robison MSP, Cabinet Secretary for Health, Wellbeing and Sport and the Board of NHS Greater Glasgow and Clyde, I am delighted to welcome you to our 2015-16 Annual Review.

The Cabinet Secretary will introduce and chair the meeting. I will then present a broad overview of our 2015-16 performance against key targets under the three national quality ambitions and briefly look ahead at some of our priorities.

The final hour of the event will be given over to the audience to ask us questions about what has been presented or any other aspect of the health service – so please feel free to make use of the time we will be allowing for that. However, please note that it will not be possible to answer any questions which relate to matters which involve patient confidential information.

Finally, I would like to thank you once again for attending. We hope you find the experience worthwhile.

JOHN BROWN, CBE
