Easter public holidays

Staff have been asking questions regarding public holidays for Easter.

We wish to advise that public holidays remain in place.

Where staff are already rostered to be off and this is an area of normal activity levels, staff are encouraged to take leave.

Where staff are working in an area of increased activity due to COVID-19 your local manager will discuss with you the feasibility of releasing you or whether you can remain at work. All main office and support staff should be encouraged to be off, unless rostered otherwise.

National rates of pay will apply to anyone working on a Public Holiday.
