## Civility Saves Lives – Online Champions Training

Our Civility Saves Lives (CSL) campaign aims to promote positive working relationships and raise awareness about how our behaviour with colleagues can have a direct impact on patient care and outcomes, and staff experience and wellbeing.

The role of Civility Champions is to promote and raise awareness of CSL within their own teams/services, helping to bring understanding about why paying attention to how we work together and treat each other matters. Champions can be from any profession, band, or service and have an enthusiasm and interest in supporting positive ways of working.

Staff are invited to join the next online training session for Civility Champions on **Thursday 25 September, 9.30am – 11.00am.**

You can [register here](#).

Please email [ggc.investorsinpeople@nhs.scot](mailto:ggc.investorsinpeople@nhs.scot) with the subject line **CSL Champions Training** for more information.

If you are not able to manage along on 25 September, you can register your interest for a [future session here](#).

Staff are encouraged to read about Civility Saves Lives before the training, by visiting [the hub on Staffnet](#).
