International Nurses: Register for NMC Welcome to the UK workshops

Mark Brooke, NMC Principal Regulation Adviser, Professional Practice and Linda Martin, Regulation Adviser, Professional Practice will deliver two 'Welcome to the UK' workshops to accommodate 120 of NHSGGC's IENs.

This interactive workshop is designed to support international nurses who have joined the NMC register in the last 12-18 months, to transition to their UK- based role, however, doesn't preclude any who are waiting to join the register. **This workshop is not for OSCE preparation.**

The next sessions will run on Friday 15 August 2025 in QEUH, TLC, Room L0-007. There will be two sessions, each hosting 60 IENs:

- 9.00am - 12.30pm
- 1.30pm - 5.00pm

IENs **must register to attend** – the first 120 IENs registered will be aligned to either the morning or afternoon session at QEUH. You will receive a confirmation email confirming which session you will attend, with your SCN copied in.

Register here: <https://link.webpolsurveys.com/EP/D8BDAD521EA5C8F5>

IENs must attend at the venue, date and time confirmed, there is no option to turn up at another session without prior booking.

If you have previously attended the NMC "Welcome to the UK" workshop, please **do not** register to attend.
