Introduction

This issue of Core Brief details information on the appointment of Director of Communications and Public Engagement.

Appointment of Director of Communications and Public Engagement

Following a recent competitive interview process, Sandra Bustillo has been appointed to the post of Director of Communications and Public Engagement.

Sandra has many years' experience in a variety of roles, most recently in the role of Interim Director of Communications and previously as Associate Director for Communications. Her substantive appointment sees her now also assume responsibility for public engagement.

Jane Grant, Chief Executive, said: "I would like to congratulate Sandra on her appointment and look forward to working with her in her new role as we refresh and develop our approaches to communication and engagement with our patients, public and other stakeholders."
