**(20 December 2024, 12.30pm)**

Dear Colleagues,

As we approach the end of another year, we want to take this opportunity to express our thanks for your hard work and dedication throughout 2024.

This year has been marked by significant challenges, and we know the pressures you face can at times feel overwhelming. Despite this, your unwavering commitment to delivering high-quality person-centred care, has been remarkable. You continue to embody the very best of NHSGGC, and we are immensely proud to be part of such a team.

As we enter the festive period, traditionally one of the busiest and most demanding times of the year, it's more important than ever to remember the strength we find in teamwork. By supporting one another, sharing expertise, and working collaboratively across every service, we ensure the best outcomes for those who rely on us. Your resilience and the way you pull together in difficult times exemplify what makes NHSGGC so special.

Please also remember to take care of yourselves and each other. We know how much is asked of you, and your wellbeing is essential not just for you, but for the vital work we do together.

On behalf of the entire Board, we want to express our gratitude once again for all that you do. Your hard work and dedication make a profound difference to so many lives, and we cannot thank you enough.

With our very best wishes for the festive season and the year ahead,

**Jane Grant, Chief Executive  
Dr Lesley Thomson KC, Chair**
