KSF PDP&R Managers – How to update your staff list on TURAS Appraisal

As staff join, move or leave your team please remember to update the list of staff who are assigned to you as a manager on TURAS Appraisal, this can be done by:

- Completing the [Staff List Template](#) and email it to the Learning and Education Support Team on le.support@ggc.scot.nhs.uk.
- You only need to include those staff who are new/missing from your manager's list
- Once staff are on your TURAS Appraisal managers page, you can assign or change the reviewer and post outline for them if required using this guidance - [user guide](#). If you are unclear how to do this having read the guidance please contact the Learning & Education Support Team on LE.Support@ggc.scot.nhs.uk.

Further resources and support on all aspects of PDP & Review are available on HR Connect - [NHSGGC : Personal Development Planning and Review](#)

COVID-19 antiviral study

The GETAFIX study, which looks at the effect of antiviral medication on the duration and severity of COVID-19 symptoms is looking for participants.

Those who join the study will be randomly given either a 10-day course of Favipiravir antiviral tablets or no additional treatment.

To be eligible to take part you must have tested positive for COVID-19 and be within the first seven days of symptoms.

To find out more information, visit: www.getafix-trial.org.uk or email: ggc.gcrfgetafix@ggc.scot.nhs.uk.
