Core Brief

Daily update
(26 November 2025, 2.15pm)

No appointments needed for staff at community flu clinics

All NHS Greater Glasgow and Clyde (NHSGGC) staff can visit any NHSGGC community vaccination clinic from Friday 28th November 2025 to receive a free flu vaccination without an appointment.

This applies to clinical and non-clinical NHSGGC staff. Please bring your ID badge along as proof of work.

Why act now?

Flu season has hit Scotland around a month earlier than usual, and cases are continuing to rise. NHSGGC is urging all staff to get their winter vaccinations now to avoid being floored by symptoms or, in severe cases, hospitalised.

There are multiple ways that staff can get the vaccine, listed below, and you can also find the schedule [on the NHSGGC website](#).
