

Core brief

Daily update

(30 March 2022, 11.15am)

Topics in this Core Brief:

- Public Protection Team
- Flying Start portal
- Active Staff

Public Protection Team

The Child Protection Service will now come under the umbrella name of Public Protection Team. This is to reflect that Child and Adult Protection will now sit within the same team.

All telephone numbers and services for Child Protection remain unchanged. However, staff should note that the advice line is for Child Protection support only.

The Public Protection team is in development with the Lead Nurse for Adult Protection now in post and the Public Protection Medical Lead role now incorporating Adult Protection. The Public Protection Medical Lead will now support board developments across child and adult protection.

The Learning and Education plan has been revised and now includes [Level 3 Adult Protection training](#) and is available to book via eESS.

A programme of work is underway including a review of LearnPro modules and the development of a Public Protection module.

Flying Start Portal – Support Sessions – NEW DATES

Flying Start NHS® is the national development programme that the Scottish Government and NHSGGC requires all registered nurses, midwives and allied health professionals (AHPs) to complete, in their first year in practice. Each newly qualified practitioner (NQP) within NHSGGC, should be afforded 24 hours protected learning time away from the workplace to support completion of the Flying Start NHS® programme within the first year.

To support all NQPs, whether you are just commencing the programme, are working towards or nearing completion of this, the Practice Education team will be hosting further Flying Start Support Sessions on MS Teams. These sessions provide peer support and discussion and highlight other relevant information, which you will find helpful to clarify Flying Start NHS® programme requirements.

Book in to attend a session by clicking [here](#)

Active Staff

We have Bootcamp sessions spread over Gartnavel, Leverndale, New Victoria, QEUH and Stobhill sites and open to all fitness levels, we hope you can come join the fun, get fitter and enjoy the fresh air with seven classes to choose from.

Don't forget, Active Staff is also online. Currently you have access to seven live classes per week, Monday – Thursday with a mixture of live early morning and evening classes streamed by a team of instructors over Microsoft Teams to the comfort of your own home.

You can book all your fitness classes via our website by [clicking here](#) it's all completely FREE! All you need is Microsoft Teams and your game face.

We hope to extend to other sites soon and also organise more of our guided NHS Walking for Health walks in 2022.

Please keep up-to-date with the latest guidance on our dedicated web pages at: www.nhsggc.org.uk/covid19. If you have any questions about the current situation please check the FAQs first. If you have any further questions, please email: HR.Support@ggc.scot.nhs.uk.

Staff are reminded to make sure their [personal contact details are up to date on eESS](#).
