

Five Tips After Interview

Remember - all interview experience is an opportunity to showcase and develop your professional skills.

01

Successful candidates will usually hear from the panel within 24/48 hours. Try and relax until you hear the outcome.

02

Ask for constructive feedback on all aspects of the process; application, presentation and responses.

03

Use feedback to improve your application and interview techniques for any future applications.

04

If successful, fill out any relevant paperwork ASAP. Make your references aware they will be contacted.
