

TACKLING DRUG STIGMA IS EVERYONE'S BUSINESS

Recognising stigma is the first step to tackling it. When you witness stigmatising behaviour, you have a choice about the action you take. Use the toolkit to take action today.

- Stigma Kills
- Everyone knows someone
- Stigma is a barrier to good health and quality of life
- Blame is not constructive
- It's everyone's business to tackle drug stigma
- Tackling drug stigma is a human rights issue and reduces harm
- There are things we can do to tackle stigma
