

Equality, Diversity and Inclusion Calendar

2024

*Sija and Soju,
Staff Nurses*

Introduction

The calendar has been developed as a resource for NHSGGC staff to demonstrate a visible and supportive role which is committed to respecting and celebrating diverse communities, cultures, and faiths. This calendar provides details of all the main religious festivals*, major national and international days of celebration or memorial which reflect the diverse population of our staff and our community.

Calendar Key:

	Dates with a circle symbol indicate a national or an inclusion related event/day
	Buddhist Event/Observance
	Christian Event/Observance
	Hindu Event/Observance
	Islamic Event/Observance
	Jewish Event/Observance *All Jewish holidays begin at sundown on the evening before
	Sikh Event/Observance
	Dates with a square symbol indicate a NHSGGC public holiday

We focus further on the six major world faiths - Buddhism, Christianity, Hinduism, Islam, Judaism and Sikhism. This does not mean we do not recognise that there are many more faiths equally as important. We also recognise that a large proportion of our NHSGGC community may have no religion or belief.

Angela, Consultant Physician
