

Seasons Greetings

As Christmas approaches, we want to celebrate the incredible successes across our directorate this year. Together, we have achieved milestones that make a real difference for our patients, colleagues, and communities.

From the launch of the Estates & Facilities Staff Hub, giving everyone easy access to resources and news, to the opening of The Thistle and the Parkhead Hub our teams have shown what collaboration and innovation can deliver.

Parkhead Hub's recognition as Public Sector Project of the Year at the RICS UK Awards is a testament to the dedication and expertise within our organisation.

We have also enjoyed moments that bring us together, such as National Estates & Facilities Day and our newly revamped Staff Award Ceremony, shining a spotlight on the talent and kindness that define our teams.

The Apprenticeship Awards reminded us of the bright future ahead, and of the mentorship and support that runs through our work.

Progress on the Facilities Staff Bank Project marks another step towards flexibility and resilience for the year ahead.

This year, we also celebrate our people—those who have retired after years of service, new colleagues who have joined our team, and staff who have completed college or university qualifications. Your commitment to learning and growth inspires us all.

Thank you for everything you do to make NHSGGC a safe, welcoming, and innovative place to work. Wishing you a joyful Christmas and a happy, healthy New Year. We look forward to building on this success together in 2026. A special thank you to all colleagues who will be working over the festive period, taking time away from family and friends to ensure our patients and services are cared for – your dedication is truly appreciated.

Tom
Prof Tom Steele
Director of Estates & Facilities
