

**ONLINE LEARNING SESSION: THE DIAGNOSIS &
MANAGEMENT OF OBSTRUCTIVE SLEEP APNOEA**

The Learning Session will be delivered via MS Teams on
Monday 19th June 2023 at 12:30pm via this link:

[Learning Session: Obstructive Sleep Apnoea](#)

Q: Why should I attend?

A: There's more of it about; how transformed services can improve care, what to expect with patients attending us and where we can help

PROGRAMME:

Dr Caroline O'Dowd, Respiratory Consultant (NHSGGC)

- ***Who to Refer, What Happens When & Advice on Common Scenarios***

Dr Christopher Carlin, Respiratory Consultant (NHSGGC)

- ***Home Ventilation, Remote Monitoring, Recovering & Improving Diagnostics***

The session will be recorded if you cannot attend or can only join for part of the programme

Certificates of Attendance will be available for inclusion in Personal Development Plans
