

NHS Corporate Membership of the Glasgow Club

Guidance

NHS Greater Glasgow and Clyde staff can take advantage of a reduced membership rate of £21.96 per month for the Glasgow Club. This gives access to all local authority sport and leisure facilities in Glasgow, including swimming, gym, and fitness classes. For more information go to www.glasgowclub.org

The scheme works by Greater Glasgow and Clyde NHS Board paying the annual membership fee of £285.50 to Glasgow City Council. This entitles membership of the Glasgow Club for a period of 12 months with 1 extra month included. Staff sign a salary mandate form and the payments are deducted on a monthly basis from salary at the rate of £21.96 per month for a period of 13 months.

If you wish to have two memberships this must be done on application or on yearly renewal of your membership.

You are only eligible for a NHSGGC Corporate membership if you have a permanent job with NHS Greater Glasgow and Clyde.
