### Electronic Systems

All staff have experience working with a variety of Electronic Case Report Forms and Interactive Web Response Systems.

### Local Laboratory

All GCRF sites have access to accredited hospital laboratory facilities including biochemistry, haematology, microbiology, virology and immunology.

### External Vendors

All staff have experience working with a variety of commercial laboratories and couriers.

### Staff Training

GCRF have a detailed training programme for all staff groups. A Clinical and Administrative Skills Day is held annually to sign-off competencies.
