Information for Cashier's Office

This leaflet has been produced specifically for asylum seekers wishing to claim travel expenses.

Asylum seekers, including failed applicants, qualify for reimbursement of travel expenses.

They must produce an Application Registration Card (ARC) as proof of their entitlement which details their name, date of birth and nationality as well as their photograph and fingerprints.

If this has not yet been issued they must present a time limited, standard acknowledgement letter which can be used until they receive an ARC.

Note that only asylum seekers are eligible - this does not apply to other types of application such as those made under Human Rights legislation.

It is unlikely that an asylum seeker will have access to a bank account so reimbursements should be made in cash.
