- Café Connect
- Canteen / Patient Affairs
- Central Nursing Office

Entrance B

- Administration Building
- Pharmacy
- Physiotherapy Gym
- Campsie / Bute Ward
- The ARC
- DART
- Recreational Therapy
- Estates

Active Travel

NHS Greater Glasgow & Clyde recognise that physical activity is essential for good health and encourage staff and visitors to consider walking and cycling as a great way to travel to Hospital sites. This map indicates the shared access routes to hospitals and healthcare facilities. Designated visitor cycle parking is located on most sites.

Commuter cycle training is available for NHS Greater Glasgow & Clyde staff. There are a range of training courses available from basic beginners training to advanced on-road manoeuvre training for proficient cyclists. Please note courses are arranged subject to demand.

For further information:

Leverndale Hospital is well served by public transport covering bus and rail stations within the immediate area. Bus services provide direct access to the main hospital entrances with the main bus station interchanges at Silverburn Bus & coach station and at Braehead. Crookston train station is 0.4 miles from entrance A which interchanges at Paisley Canal and Glasgow Central.

To plan your journey by public transport, please use www.travelinescotland.com journey planner or visit www.scotrail.co.uk

Information on planning the optimal cycle route that suits you, is available at www.cyclestreets.net

Walking journey planning is available at www.walkit.com

Leverndale Hospital has been awarded Cycle Friendly Employer status by Cycling Scotland.

Cycling to Work

The Cycle to Work scheme is a salary sacrifice scheme available to NHS Greater Glasgow & Clyde staff*. With the Cycle to Work scheme, you can get your bike tax-free, which for most people means they save between 25% and 32% of the cost. Loans are available up to a maximum of £4,000 to use at a wide range of retailers, including E bikes or if you just want to purchase some new accessories. As well as saving you money, it is good for your health and the environment.

There are secure cycle shelters and bike stands located across the campus. The code to access secure shelters is available from reception on 46605. There are also shower and changing facilities / lockers across campus for staff.

*Terms and Conditions apply

NHSGGC have a Bicycle User group for staff. Please contact TravelPo@ggc.scot.nhs.uk if you wish to be added to the BUG distribution list and be kept informed of initiatives and relevant cycling information for NHSGGC staff.

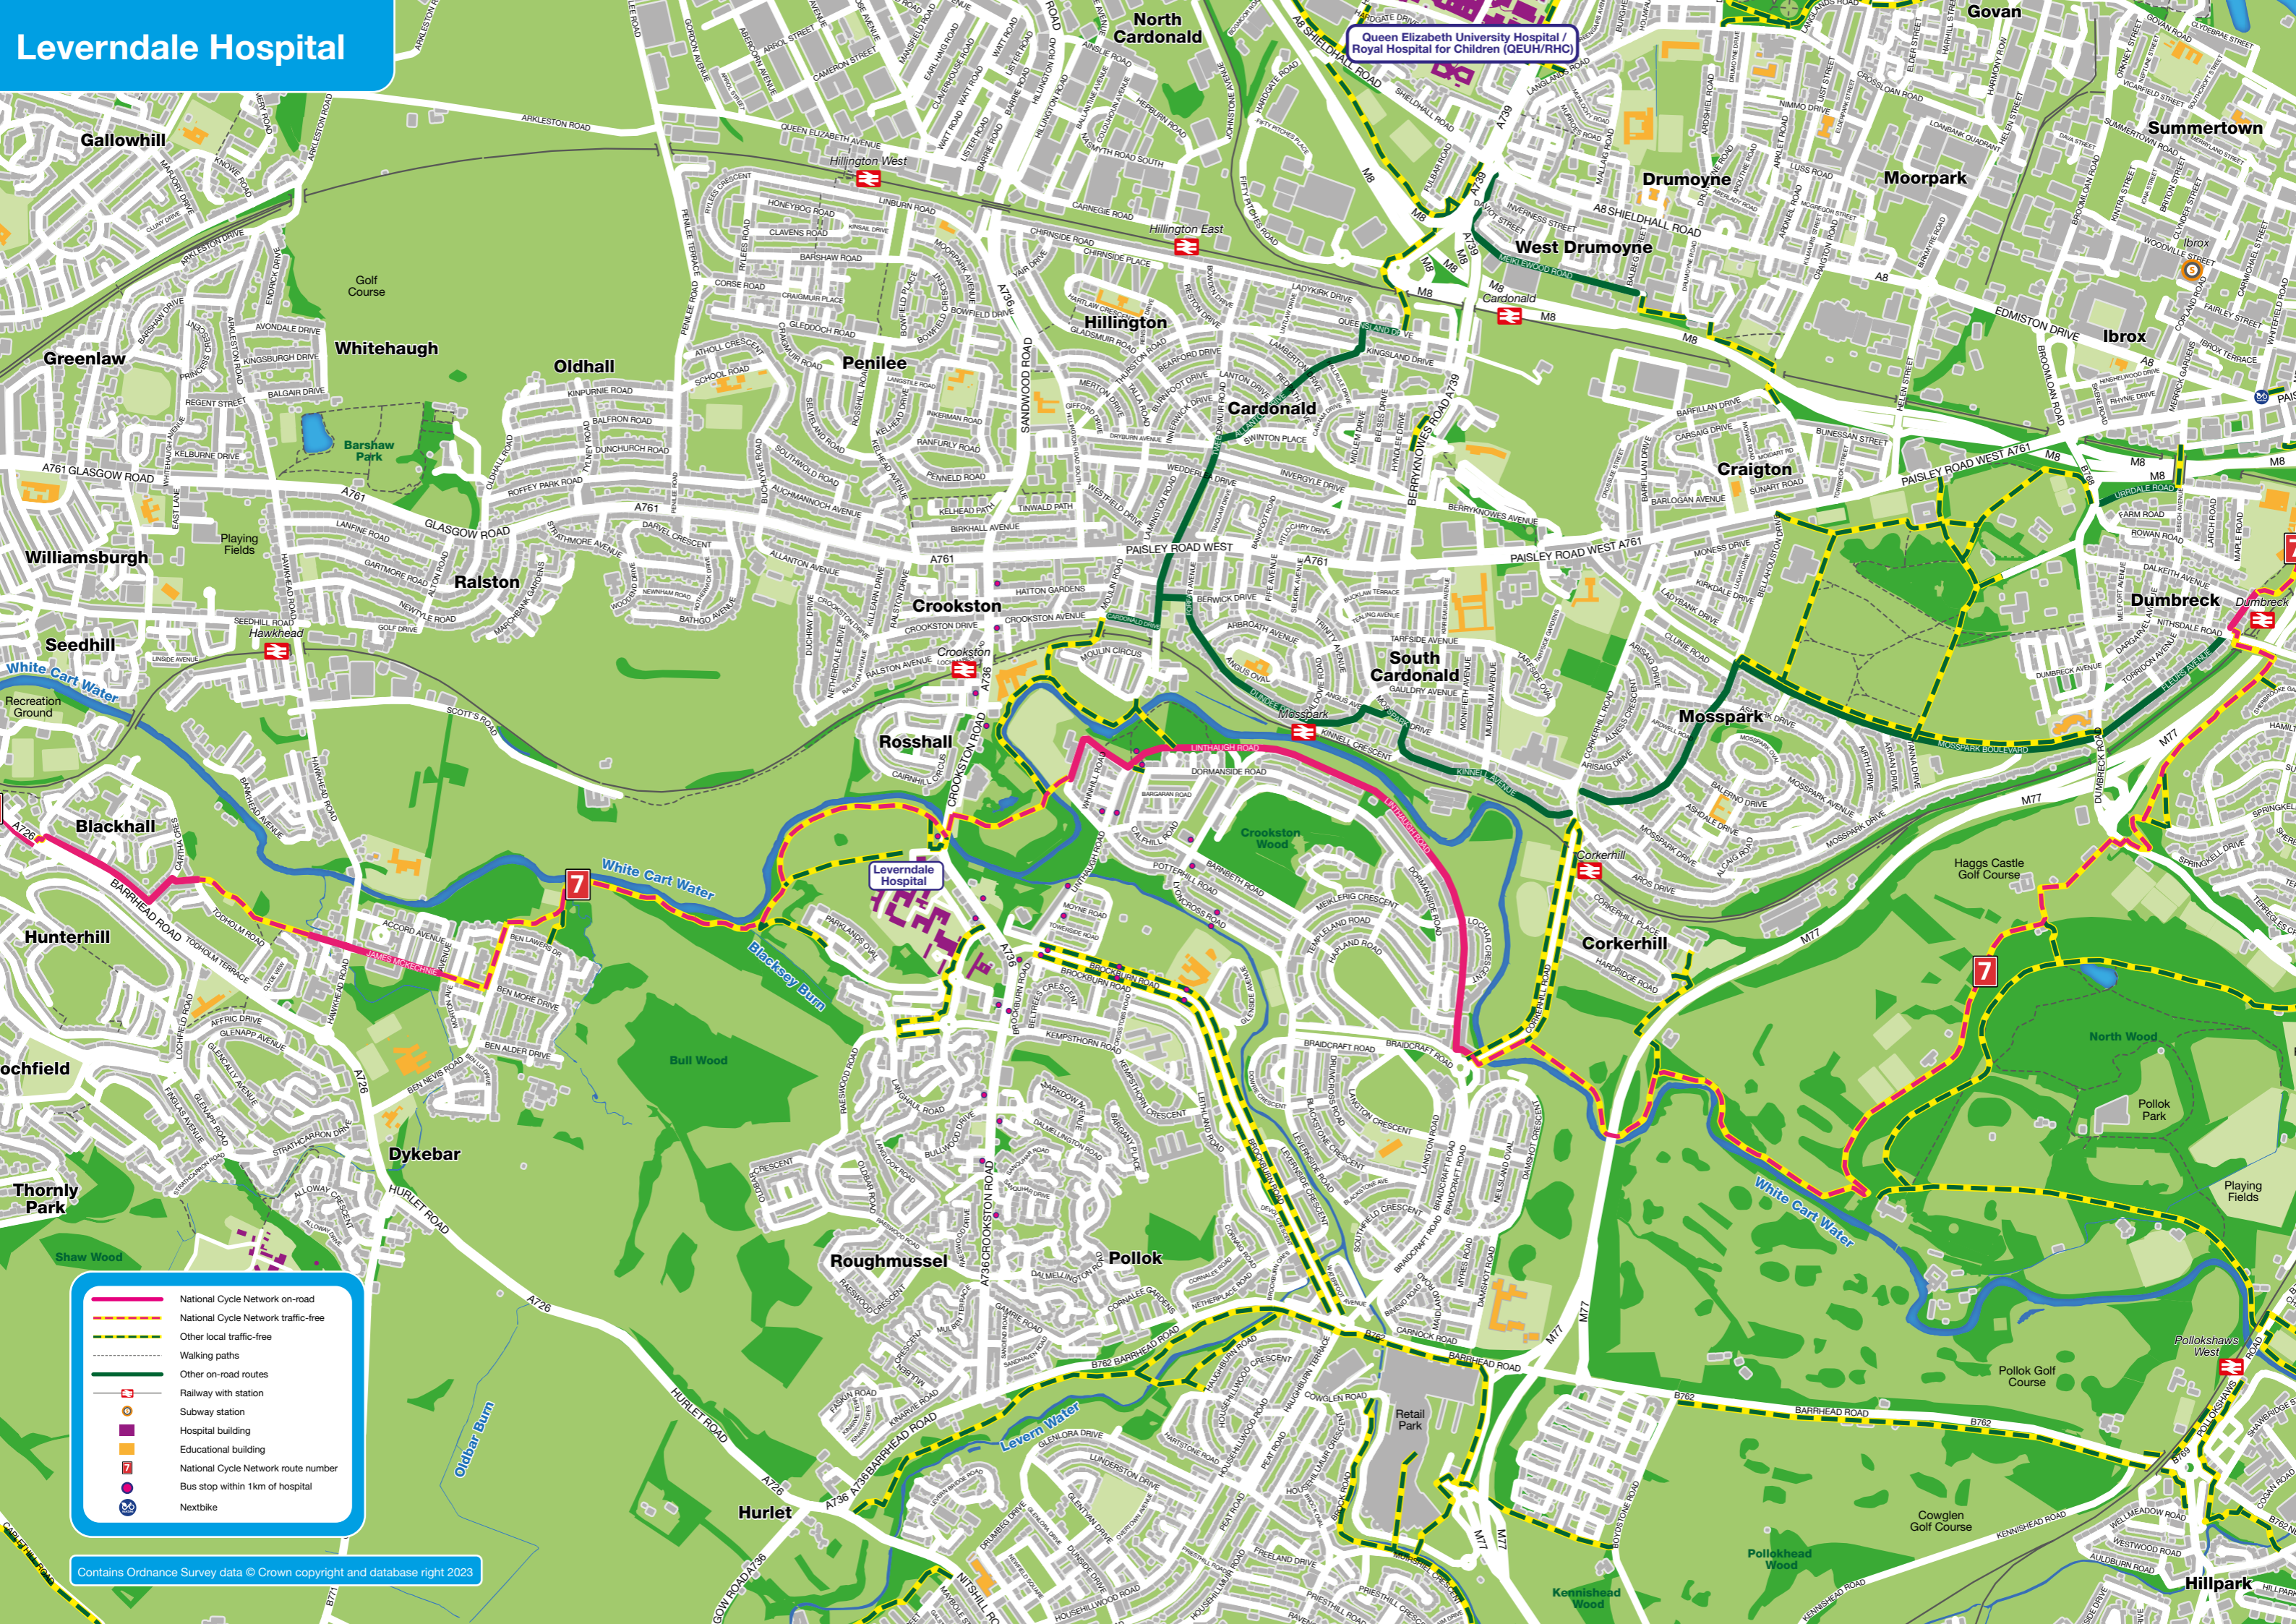

Information on planning the optimal cycle route that suits you, is available at www.cyclestreets.net

For more information on active and sustainable travel, please contact the Travel Plan Office or visit Transport pages on Staffnet.

NHS Greater Glasgow & Clyde are not responsible for loss or damage to property. Staff should be vigilant and use the secure cycle shelters, where possible. 'Sold Secure' D locks are recommended. Bikes can be security marked and registered at www.immobilise.com or www.bikeregister.com
