1. Purpose of Paper

The purpose of this paper is to: inform the NHS Board on key items of discussion at the Area Clinical Forum Committee.

2. Recommendation

The Board is asked to note the key items of discussion at the recent meeting of the Area Clinical Forum Committee on 15th August 2024 as set out below and seek further assurance as required.

3. Key Items of Discussion

3.1 Vaccination Update

The Forum received an update on the Autumn and Winter Vaccination Campaign and noted confirmation of the delivery requirements for 2024/25 and the outline of the delivery plan. The main campaign was due to commence in October 2024, with a focus on staff and those at risk and those with weakened immune systems.

3.2 Executive Update on Ongoing Board Business

The Forum received a brief update on the Public Inquiry which is due to begin on the 19th August and run through into November. The Forum noted that overall the system remained challenged and occupancy rates remained high.

3.3 Care Home Strategy

The Forum received an update on the Care Home Strategy and noted the progress of the support model and Care Home Collaborative. The Forum noted the positive impact of strength and balance sessions, and how nutritional needs are being met in Care Homes.

3.4 Primary Strategy Update

The Forum received a presentation with an update on the Primary Care Strategy which highlighted the priorities of this strategy and the actions intended in year 1 of the plan.

3.5 Brief Update from Each Advisory Committee on Salient Business Points and Minutes to note.

The Forum received verbal updates from Chairs of Advisory Committees.

4. Issues for referral to other Standing Committees or escalation to the NHS Board

There were no issues for referral to other Standing Committees or escalation to the NHS Board.

5. Date of Next Meeting

The next meeting of the Area Clinical Forum Committee will take place on 10 October 2024.
