Corporate Objective alignment

Better Health

- **COBH1 To reduce the burden of disease on the population through health improvement programmes that deliver a measurable shift to prevention rather than treatment.**
- **COBH2 To reduce health inequalities through advocacy and community planning.**
- **COBH3 To reduce the premature mortality rate of the population and the variance in this between communities.**
- **COBH4 To ensure the best start for children with a focus on developing good health and wellbeing in their early years.**
- **COBH5 To promote and support good mental health and wellbeing at all ages.**

Better Care

- **COBC6 To provide a safe environment and appropriate working practices that minimise the risk of injury or harm to our patients and our people.**
- **COBC7 To ensure services are timely and accessible to all parts of the community we serve.**
- **COBC8 To deliver person centre care through a partnership approach built on respect, compassion and shared decision making.**
- **COBC9 To continuously improve the quality of care, engaging with our patients and out people to ensure healthcare services meet their needs.**
- **COBC10 To shift the reliance on hospital care towards proactive and co-ordinated care and support in the community.**

Better Value

- **COBV11 To ensure effective financial planning across the healthcare system that supports financial sustainability and balanced budgets.**
- **COBV12 To reduce cost variation, improve productivity and eliminate waste through a robust system of efficiency savings management.**
- **COBV13 To exploit the potential for research, digital technology and innovation to reform service delivery and reduce costs.**
- **COBV14 To utilise and improve our capital assets to support the reform of healthcare.**
