## LOOP is coming, 30<sup>th</sup> April 2025!

On the **30<sup>th</sup> April 2025**, NHS Greater Glasgow & Clyde will launch **Loop**, an eRostering communications tool supplied by RLDatix. This online booking App is being deployed to replace Employee Online (EOL) ahead of its decommission on the **31<sup>st</sup> May 2025**.

Loop provides the same functionality as EOL as well as including some new extras.

Further correspondence will be distributed in the coming days with additional information and user guides to provide guidance on how and when to set up and start using this App.

### Important Information!

Loop will initially be deployed to all **Bank staff** in the first instance (from 30<sup>th</sup> April 2025).

Whilst **Substantive staff** can download the app, they will not be able to fully utilise the functionality until rostered on Optima (core rostering tool also provided by RLDatix in replacement for SSTS). The Optima implementation plan will be communicated to all staff in due course.
