

## 90 Minute Leadership

OD recognise the challenges our leaders have in managing time constraints and setting aside time for development activities. Short, intensive development sessions can be a useful way of learning. Rather than spending a full day covering a relatively wide range of topics, our "90 Minute" leadership sessions will focus on specific topics, concentrating on key issues rather than the broader picture. The next session is:

### "Five Tenets of Change Management"

How can you position change management as essential for projects and change initiatives?

In this webinar we will explore Prosci's 5 Tenets of Change Management and make a direct connection between the people side of change and successful outcomes. Each of the tenets – a principle or belief held to be true – builds on the others, and together they form the basis for the 'why' and 'what' of change management in a simple, logical, and compelling way.
