

Favourites

- In Optima, you can now select a set of pages/menu items to add to a Favourites list.
- To add a page to your Favourites, go to that item in the menu and hover over it. A star icon will appear on the right-hand side – click to add.

- Follow the same process to remove a page from your Favourites.

- To access your Favourites list, click on the Star icon in the menu along the top.
