

Filled Bank Requests

This report provides a breakdown of all the bank shifts worked within the parameters.

Click **Rostering** > **Filled Bank Requests**

The screenshot displays the Allocate Optima interface. At the top, the header includes the 'Allocate Optima' logo and the date 'Today, 5 May 2026'. Below the header, there are navigation tabs for 'Rostering', 'SafeCare', and 'Personnel'. The 'Rostering' tab is selected, showing a sidebar with 'View Rosters' and 'Reports' sections. The 'Bank Requests' section in the main area has 'Filled Bank Requests' highlighted with a red box. Other sections include 'Daily Staffing', 'Unavailability', and 'Roster Stats'.

The parameters that can be set for this report include the **Owning Unit**, **From** and **To Dates**, **Bank** or **Agency**, **Assignment Numbers**, **Shift Type** and if shifts were **Active** or **Cancelled**. Reports can be exported to excel using the **icon** or the **extract** button highlighted in red.

The headers for the report are **customisable** using the icon highlighted in blue and are **various details related to bank shifts booked via Bankstaff, Optima and SafeCare**.
