

# Respiratory Syncytial Virus (RSV) immunisation programme to protect infants and older adults.

## DATE and TIME

Wednesday 17<sup>th</sup> July 2024  
12.30pm-13.30pm

NOTE: This date is dependent upon the publication of required guidance, for example the Green Book chapter

The aim of the webinar is to help support healthcare practitioners to confidently discuss with vaccinees and administer the RSV Vaccine safely and effectively.

## TARGET AUDIENCE

All those involved in the RSV immunisation programme whether vaccinating or giving information. This will include Vaccinators, Midwives, Health Visitors, GPs

### Topics being covered:

- Policy drivers and decisions in relation to the RSV immunisation programme in Scotland
- The vaccine that will be deployed
- Sources of further information

There will be an opportunity for attendees to ask questions, those frequently asked will be answered by a panel of experts.

## REGISTRATION

<https://attendee.gotowebinar.com/register/566720618625489757>

Attendees are invited to submit questions in advance and the panel will answer as many questions as possible.

The webinar will be recorded and made available on TURAS Learn after the event.
