Indicators	Tick indicators met by resource	Evaluative Comments / Any other info
The resource is consistent with principles set out by the GG&C Prevention and Education Model.	✓	
The resource reflects Experiences and Outcomes for Substance Misuse education and the national standards.	✓	
The health related information contained in the resource is up-to-date at time of review.	✓	
The resource has clear learning intentions and outcomes aligned to Curriculum for Excellence.	✓	
The resource can be delivered flexibly and differentiated as appropriate.	✓	
The resource takes account of relevant protected characteristics and meets the requirements of relevant Equalities legislation.	✓	
The resource supports the young person to resist pressures by supporting the development of self-confidence and resilience.	✓	
The resource suggests or employs different delivery methods, for example group work, role play, discussion, specialist inputs etc.	✓	
There is existing evidence that demonstrates the resource's effectiveness. (e.g. research evidence, evaluation)		
Resource supports the option for partnership working in its delivery.	✓	
The resource contains information and sign posting to appropriate services and other resources for young people	✓	The website that hosts this does: https://young.scot/
Senior phase: The resource extends and deepens learning in substance misuse and continues to develop skills for learning, life and work	✓	
Senior phase: The resource will help to develop the necessary skills young people need to make positive choices about their future	✓	

Level		Expected national standards for each level	Substance Misuse Experiences and Outcomes	Tick if met by resource	Comments / Any other info
Early	Use of substances	Identifies w hich substances may be helpful and w hich may be harmful in given situations.	Tunderstand there are things I should not touch or eat and how to keep myself safe, and I am learning w hat is meant by medicines and har mful substances. HWB 0-38a		
	Action in unsafe situations	Suggests way to get help in unsafe and emergency situations, for example, seeking out an adult. Names the emergency services.	I can show ways of getting help in unsafe situations and emergencies. HWB 0-42a I can show ways of getting help		
			in unsafe situations and emergencies. HWB 0-42a		
First	Use of substances	Identifies conditions which require medication and how it benefits health.	I know that there are medicines and some other substances that can be used in a safe way to improve health and I am becoming aw are of how choices I make can affect my health and wellbeing. HWB1-38a		
	Action in unsafe situations	Identifies why misusing medication can be harmful.	I know how to react in unsafe situations and emergencies. HWB1-42a		
		Links personal actions to health and wellbeing, using role play for example.	I know how to react in unsafe situations and emergencies. HWB1-42a		
		Describes when and how to contact emergency services.	I know how to react in unsafe situations and emergencies. HWB1-42a		
		Shares key information about an emergency situation.	I know how to react in unsafe situations and emergencies. HWB1-42a		
Second	Use of substances	Gives examples of what can happen to the body as a result of smoking tobacco or drinking alcohol.	I understand the effect that a range of substances including tobacco and alcohol can have on the body. HWB 2-38a		
		Knows the recommended alcohol intake advice.	I understand the effect that a range of substances including tobacco and alcohol can have on the body.		

	_				
			HWB 2-38a		
	Informed choices	Gives examples of how peer, media and	I know that popular culture, the media and		
		other pressures can influence decision	peer groups as well as my own attitudes		
		making.	and values can influence how I feel about		
		3	substance use and recognise the impact		
			this may have on my actions.		
			HWB 2-39a

		when dealing with stressful ad challenging	can support decision making about		
		situations, for examples, walk away, talk to	substance use. I can demonstrate		
		friend / adult, physical activity.	strategies for making informed choices to		
			maintain and improve my health and		
			wellbeing and can apply these in situations		
			that may be stressful or challenging, or		
			involve peer pressure.		
			HWB 3-40a		
		Knows how to access local support services.	I know how to access information and		
			support for substance-related issues.		
			HWB 3-40b		
	Risk taking	Weighs up risk and identifies potential safe	After assessing options and the	√	
	behaviour	and unsafe behaviours and actions, for	consequences of my decisions, I can		
		example, the impact of gambling.	identify safe and unsafe behaviours and		
			actions.		
			HWB 3-41a		
		Explains how substance misuse can affect	I know that the use of alcohol and drugs	√	
		judgement and impair ability to make	can affect behaviour and the decisions	,	
		responsible decisions, for example, unw anted	that people make about relationships		
		sexual experience.	and sexual health.		
		βολυαί σληστίστιος.	HWB 3-41b		
	Action in unsafe	Know actions to be taken in an amergana:	I know the action I should take in the		
	situations	Know actions to be taken in an emergency			
	Situations	relating to substance misuse.	management of incidents and		
			emergencies related to substance misuse.		
		Handling and a distance of the first	HWB 3-42a		
		Identifies potential impact of short and long	I understand the impact that on-going		
		term substance use.	misuse of substances can have on a		
			person's health, future life choices and		
			options.		
			HWB 3-43a		

		Identifies local substance misuse issues and	Through investigating substance misuse in		
		how they are being addressed.	my local community, I can reflect on		
			specific issues and discuss how they are		
			being addressed.		
			HWB 3-43b		
Fourth	Use of	Justifies the risk benefits of substances in	I understand the positive effects that some		
	substances	supporting health, for example, homeopathic	substances can have on the mind and		
		remedies.	body but I am also aw are of the negative		
			and serious physical, mental, emotional,		
			social and legal consequences of the		
			misuse of substances.		
			HWB 4-38a		
		Explains the potential impact of short and	Lunderstand the positive effects that some	√	
		long term substance us on health and life,	substances can have on the mind and		
		including legal implications.	body but I am also aw are of the negative		
			and serious physical, mental, emotional,		
			social and legal consequences of the		
			misuse of substances.		
			HWB 4-38a		
		Evaluates the impact of media and peer	Through investigation, I can explain how	√	
		pressure on own attitudes and behaviour.	images of substance use and misuse can		
			influence people's behaviour.		
			HWB 4-39a		
	Informed choices	Demonstrates the skills / qualities required to	I am developing a range of skills which	✓	
		manage challenging situations, for example,	can support decision making about		
		self-reliance, self-efficacy, assertiveness.	substance use. I can demonstrate		
			strategies for making informed choices to		
			maintain and improve my health and		
			wellbeing and can apply these in situations		
			that may be stressful or challenging, or		
			involve peer pressure.		
			HWB 4-40a		
		Explains the benefits of positive coping	Tam developing a range of skills which		
		strategies / techniques w hen dealing w ith	can support decision making about		
		stressful and challenging situations.	substance use. I can demonstrate		
			strategies for making informed choices to		
			maintain and improve my health and		
			wellbeing and can apply these in situations		
			that may be stressful or challenging, or		
			involve peer pressure.		
			HWB 4-40a		
		Knows how to access local and national	Tknow how to access information and		
		support services.	support for substance-related issues.		
			HWB 4-40b		

	Demonstrates the skills / qualities required to assess and manage risk, for example, self-aw areness, self-confidence, composure.	After assessing options and the consequences of my decisions, I can identify safe and unsafe behaviours and actions. HWB 4-41a	✓
Risk taking behaviour	Explains the impact and potential consequences substance misuse can have on decision making, for example, drinking and driving, non-consensual sex.	I know that the use of alcohol and drugs can affect behaviour and the decisions that people make about relationships and sexual health. HWB 4-41b	√
Action in unsafe situations	Justifies actions which might be taken in an emergency relating to substance misuse.	I know the action I should take in the management of incidents and emergencies related to substance misuse. HWB 4-42a	
	Compares current national and international statistics related to the impact of substance misuse.	By researching the impact of substance misuse nationally and internationally I can explain similarities and differences among communities. HWB 4-43b	
		I understand the local, national and international impact of substance misuse. HWB 4-43c
