

Quality Improvement Event

REFLECT

RESET

REMOBILISE

We are delighted to announce our first Quality Improvement Event since the COVID 19 pandemic. You are warmly invited to attend on the **31st of May 2023 1pm - 4:30pm via MS Teams.**

The theme of this interactive event is to bring together key stake holders of NHSGGC general practice and extended teams to discuss how to move forward with Quality Improvement. An opportunity to reset the quality improvement agenda and our roles, responsibilities, collaboration and support to enable us to do that. Remobilise and be inspired by some examples of QI work and data that will help explore QI priorities. Reflecting and recognising how primary care has managed to continue to provide a service to patients throughout the Pandemic, highlighting and celebrating what worked and showing appreciation of the continued work of individuals / practices / clusters / MDT throughout the pandemic and beyond.

Content of sessions includes:

- A showcase of Quality Improvement projects to inspire and influence event participants
- Share awareness of data and discussions to help influence and shape priorities of NHSGGC and local clusters
- Whose business is Quality Improvement? - sharing NHSGGC aims and priorities for QI, discussing roles to support the aims
- Awareness and discussion regarding barriers to Quality Improvement and accessing resources / support available to teams

Please note: Backfill for locum cover can be provided (limited to one GP per practice).

For more information and to register for the event please contact:

lindsay.mcwilliams@ggc.scot.nhs.uk Senior Business Support Officer. **Please send this invite on to your colleagues who have a role / interest in Quality Improvement.**

On behalf of, Ann Forsyth, Head of Primary Care and Support.
