

Registered Paediatric Nurse Corporate Induction Checklist

We hope you feel welcome and valued as you join us. The following resources aim to provide consistent and comprehensive essential learning information to prepare and inform safe, effective person-centred practice for your new role and working environment.

Sign to confirm you have viewed and completed each resource.

Share your completed checklist with your SCN/Team Lead who will sign and retain a copy in your personal file. **Scan** your completed checklist to **ggc.practicedevelopmentinduction@ggc.scot.nhs.uk** to receive your certificate.

If your post is solely with NHSGGC Staff Bank you do not require a SCN signature but should instead send this completed checklist to adminstaffbank@ggc.scot.nhs.uk
