**16/03/2026**

Dear Colleagues,

Due to a service review, from 1<sup>st</sup> April 2026, Immunology and Neuroimmunology will be updating the core operational hours of the laboratory. The updated core hours (including telephone enquires) will be 0900–1600, Monday to Friday. Between 4–5pm staff will be allocated to priority tasks with non-priority tasks picked up the following working day. This change will not impact our routine turnaround times. Please continue to send laboratory enquiries by email to [ggc.immunology.labs@nhs.scot](mailto:ggc.immunology.labs@nhs.scot).

Cut off times for time sensitive samples have not changed and can be found within our handbook [www.nhsggc.scot/inilab](http://www.nhsggc.scot/inilab)

Please do not hesitate to get in touch if you have any questions regarding this update.

Yours sincerely,

Lauren Hennessy  
Consultant Clinical Scientist  
Clinical Lead Immunology & Neuroimmunology Laboratory

Sylvia Arthur  
Laboratory Manager
