How to find us

Being in hospital can be a worrying time and the **Support and Information Service Hub** is there to help.

Whether you are a patient, a carer, a family member or a member of staff, we offer a friendly, comfortable and confidential environment where there is time for you to ask questions and receive support on any matter that may be important to you or your family.

A service to suit you

Having the right information and support at the right time is essential.

We are working with a range of different partners to ensure our service meets your needs. Whether you are a patient, caring for someone or visiting a patient in hospital, we will find you the information and support that you need.

What we offer

We benefit from working with a wide range of partners to provide a variety of services hosted within our premises.

Our experienced team provide support, information & direct referrals to services that include:

- **Caring for relatives and friends**
- **Money advice**
- **Anxiety, stress and depression**
- **Health, lifestyle and well-being**
- **Stopping smoking**
- **Alcohol and drugs**
- **Physical activity**
- **Weight management**
- **Pet fostering**
- **Support groups and services**
- **Complaints and concerns about the NHS**

For more information on how we can help, drop in or contact us on **01389 827 831**.

If it wasn't for your knowledge of the help and services that were available to my mum after her illness, we would still be in the dark.

Tracy Brown
(Carer)

The service has been a blessing to me in the past few months.

Helen Clarke
(Patient)

The Support & Information Service team really do go above and beyond for our patients and staff. They explore avenues we would never have known about.

Maria Smith
(Deputy Ward Manager)
