## The NHS Greater Glasgow and Clyde **Mental Health Improvement Team**

### "A time for reflection"

**Trevor Lakey** Health Improvement and Inequalities Manager (Mental Health, Alcohol and Drugs)

Heather Sloan Health Improvement Lead (Mental Health)

**Michelle Guthrie** Health Improvement Senior

(Mental Health)

Laura Andre Health Improvement Senior (Mental Health, Digital)

### **Welcome Back and Farewell**

We are delighted to welcome back Greg Usrey, Health Improvement Lead (Mental Health), to the team. Greg was deployed during COVID-19, using his clinical skills to support our NHS during this time. Greg returns to us one day a week supporting the Public Mental Health agenda

We bid farewell to our colleagues Stephanie Kirkham and Vibha Gaikwad. We wish them both well in their new ventures

### **Celebrating Our Successes**

Colleagues and partners who have accessed a range of learning opportunities through our team's Training and Capacity Building Calendar (Jan-Jun 2022)

3939

160

271

The number of participants who, to date have accessed our Scottish Association for Mental Health training courses

Colleagues and partners connected to our NHSGGC Perinatal and Infant Mental Health Network and it continues to grow

### **Celebrating Our Successes**

Our Healthy Minds Network has been running for over 13 years and continues to thrive

Membership includes National colleagues, third sector representation, clinical colleagues as well as reps from Health Improvement from the 6 Health and Social Care Partnerships

### **Strategic Leadership**

Continued extensive involvement in the implementation of prevention and allied section of NHS Greater Glasgow and Clyde 5 year Mental Health Services Strategy

Continued active involvement in the (national) Perinatal Mental Health (PNMH) Managed Clinical Network, **NHSGGC Local Implementation Group** 

Co-chair National Public Mental Health Special Interest Group

### **Strategic Leadership**

Collaboration with Scottish Government to support and influence development of National Self Harm Strategy

Continued active involvement in the NHSGG Digital Public Health Working Group

Continue to coordinate the Scottish UKPHR Public Health Practitioner Scheme for NHSGGC to support Health Improvement staff to become Registered Public Health Practitioners

## Campaigns

Engaged with several mental health awareness days; Time To Talk Day, Children's Mental Health Week, Self Harm Awareness Day, World Sleep Day, Stress Awareness Month, Mental Health Awareness Week, Maternal Mental Health Week, and others

### **Partnership Working**

The ethos of our team relies heavily on partnership working and support for our colleagues across the 6 HSCP's. We act as a conduit between local and Board wide structures in many cases and this is evident particularly with the National Mental Health funding that is dispersed to HSCP's through the Prevention, early intervention, HI Work stream group (Adult MH Strategy). We attend a range of networks and meetings across NHS Greater Glasgow and Clyde and beyond including National Partners such as 'See Me' for example

Working alongside partners from across GGC, including health improvement, third sector, educational psychology services, health visiting teams, and others, to develop an Early Years Mental Health Improvement Framework

### Perinatal and Infant Mental Health

Led on the development of two locality (Glasgow City & Renfrewshire HSCP) resources; a staff guide to help support mental health during the perinatal period

Supported and presented at the Fathers Network Dad's Event; Supporting New Dad's Mental Health in GGC

Collaborated with colleagues at West of Scotland Mother and Baby Unit to run a series of Conversation Workshops bringing clinical and third sector staff together to enhance partnership working

### **Suicide Prevention**

Scotland's Suicide **Prevention Action Plan Every** Life Matters

> Scottish Government Riaghaltas na h-Alba gov.scot

Ongoing active involvement in a range of suicide prevention activity across the life course

Facilitated stakeholder event to refine action plan for the Youth Suicide Prevention Sub Group

Continue to support policy and response work around suicide clusters

Continued provision of a range of online learning opportunities including Introduction to Suicide Awareness

### Self Harm

Continue to chair NHSGGC Self Harm Forum

Delivered in partnership, What's the Harm Training for Trainers course to 16 staff from Health Improvement, Social Work and Third Sector organisations

Updated the 1 hour session Self Harm: An Introduction to support our wider self harm training and capacity building pathway

Continued active involvement in supporting the refresh development of Self Harm Policy at local HSCP level

### Anti-stigma and Equalities

Funded and supported 9 Anti-stigma projects which included; mental health stigma among children and young people, disabled people, and people with disabilities

Commissioned a small scale research project to explore the experiences of organisations in engaging with Black and Minority Ethnic women and their families during the perinatal period to support mental health and wellbeing

Funded and worked in partnership with ENEI to provide Inclusive Leadership training to over 90 staff

## **Training and Capacity Building**

Continue to work with our commissioned service, Scottish Association of Mental Health (SAMH) to provide online learning opportunities to colleagues, partners and volunteers across GGC

Range of courses available; Introduction to Suicide Prevention, Looking after Your Wellbeing, Hybrid working, Mental Health Supporting others

## **Training and Capacity Building**

Completed Adult Seasons for Growth Companion Training for Trainers to help build capacity in knowledge and understanding relating to change, loss and grief across Greater Glasgow and Clyde

Worked in partnership with Fathers Network Scotland to deliver Understanding Paternal and Partner Mental Health Training for Trainers course to staff from Health Improvement, Clinical Services, and Primary Care Mental Health

### **Digital Approaches**

The team has migrated the **Heads** Up website to the new Board-wide site. Click on image to view

### Formed a new partnership to develop the next phase of our Aye Mind project, including with Third Sector Lab, Youth Link Scotland, Glasgow Life, Glasgow School of Art, and colleagues from across NHSGGC

## **Digital Approaches**

Working alongside the Health Improvement Team at Glasgow City HSCP, a project is underway to explore and raise awareness of the impact of online harm on people's mental health, and effective strategies to mitigate it

Continued active involvement in the Glasgow City HSCP Communications Group and the Glasgow City HSCP Social Media Moderators Group

Working with health improvement colleagues to address digital training needs identified through the digital needs assessment shared with the Public Health Workforce

### **Resource Development**

Refreshed our Child and Youth and Adult Mental Health Improvement Prevention and Early Intervention Frameworks

elped to find their wa appropriate help quickly

### **Mental Health** & The Menopause

Delivering better health www.nhsggc.org.uk
