October 2026

Improve Outcomes for People

October is Menopause Awareness Month, an opportunity to increase understanding of perimenopause and menopause, encourage open conversations, and promote supportive workplaces.

Staff and managers can access resources including [The Once for Scotland Menopause and Menstrual Health Workplace Policy](#), [Staff Peer Support Network](#), and trusted information from [NHS Inform](#), including a new [HRT video](#).

High Quality Care and Experience

High-performing teams are built on trust, collaboration, and a shared sense of purpose.

At your next team meeting, identify your own strengths and celebrate those of your colleagues.

Remember, save the date and join us at the next Quality Community Event on 4 November:

Digital First Approach

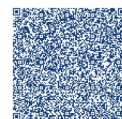

All staff who use diagnostic imaging must sign up for Sectra PACS by 24 October.

This new system will provide a modern and secure imaging platform, improve functionality, and support the future needs of radiology and other imaging services across Scotland.

All information is on [Staffnet](#).

Medical Director

Sustainability and Value

By making smart decisions, we can work more efficiently, in a more environmentally friendly manner and ultimately create a healthier, sustainable service.

Any ideas? Discuss with your team and submit your suggestions, no matter how big or small, [on the NHSGGC website](#).
