Better Care

What do the next three years look like for NHSGGC?

Our Transforming Together programme is set to improve our services at scale and pace, with our new Interface Division core to its success. Powered by technology and collaboration, the Interface team aims to ease pressure on services, improve care for patients, and support staff.

Professor Jann Gardner
Chief Executive, NHSGGC

Better Health

Drop-in flu vaccination clinics for staff, including twilight sessions for night shift staff, will be at hospital sites from Monday 22nd to Sunday 28th September 2025.

You're entitled to take time during your shift to attend a clinic.

Please speak with your team lead to arrange a suitable time. Locations are on the [NHSGGC website](#).

Emilia Crighton
Director of Public Health

Better Workplace

Everyone has a role to play in stopping Hate Crime.

If an incident is perceived by the victim – or any other person – as being motivated by prejudice or hate then it should be reported as a hate crime.

Find out more about what a hate crime is and how to report one if witnessed in the workplace.

Interim Director of Human Resources
and Organisational Development

An internal audit highlights the power of quality PDP & Review conversations in driving staff development.

These sessions support core and profession-specific learning during work hours. For Agenda for Change staff, protected learning time is part of the 2023–24 pay deal. Discuss and agree training needs aligned with service priorities.
