- Help build skills and confidence

3. HOW WE ASSURE QUALITY OF CARE

Safety & Quality of Care
Be a champion for safe, effective, efficient and high quality care for everyone.

- Share what matters to you
- Highlight what works well
- Support improvement

4. HOW WE CARE FOR SERVICE USERS & EACH OTHER

Culture and Collaboration
Be a champion for an inclusive, compassionate and collaborative culture.

- Share success stories
- Build positive relationships
- Make a difference for our patients, families and colleagues

What is a Big Conversation Champion?

Champions help to promote the Big Conversation, encourage others to get involved and gather ideas, views and feedback from colleagues, patients, families and communities.

How you can get involved

- Start conversations in your team
- Share ideas and success stories
- Encourage colleagues, patients and families to take part
- Capture feedback
- Help turn conversations into action

Why get involved?

- Share what matters to you
- Represents your team
- Influence change
- Build your skills and confidence
