Nursing and Midwifery Strategy 2025-2029

Leading the Way

The Nursing and Midwifery strategy for NHSGGC was launched in May 2025, we are currently focusing on Priority 1 - How we Lead and want to hear from you about what leadership means to you and how you are implementing the strategy locally. Please take the time to answer the 3 key questions about leadership individually and / or as part of a big conversation, this is your chance to be involved in the future of Nursing and Midwifery for NHSGGC.

Q1. What does good leadership look like to you?

Q2. What support or development opportunities would help you feel more confident in a leadership role?

Q3. What are you / and or your teams priorities for the next year in relation to leadership?
