Nursing and Midwifery Strategy 2025-2029

Leading the Way

The Nursing and Midwifery strategy for NHSGGC was launched in May 2025, we are currently focusing on Priority 2 - How we develop our professions and want to hear from you about what developing our professions means to you and how you are implementing the strategy locally. Please take the time to answer the 3 key questions about professional practice individually and / or as part of a Big Conversation, this is your chance to be involved in the future of Nursing and Midwifery for NHSGGC.

Q1. What does the term Professional Practice mean to you?

Q2. What are your ambitions for your Professional Practice?

Q3. What are you and / or your team's priorities for developing Professional Practice in your area?
