Nursing and Midwifery Strategy 2025-2029

Leading the Way

The Nursing and Midwifery strategy for NHSGGC was launched in May 2025, we are currently focusing on Priority 3 - How we Assure Quality of care and want to hear from you about what quality assurance means to you and how you are implementing the strategy locally. Please take the time to answer the 3 key questions about Quality of Care and / or as part of a big conversation, this is your chance to be involved in the future of Nursing and Midwifery for NHSGGC.

Q1. How do you get feedback on the care you give on a daily basis?

Q2. How do you collect and use this feedback in your local areas, and does it help you to make changes to the care you give?

Q3. What are your team's plans and priorities to develop your Quality Assurance over the next year?
