The Big Conversation Feedback Priority 4 - How We Care for our Service Users and Each Other

The Nursing and Midwifery strategy for NHSGGC launched in May 2025, and we are currently looking in our teams and with our Champions at Priority 4 - How We Care for our Service Users and Each Other until the end of June.

We want to hear from you on how you care for your service users and each other and how you are implementing the strategy locally. Please take this opportunity to scan the QR code and answer the 4 questions, have a conversation and share your views - We are listening!

Q1. How do you make sure the care you give is kind and compassionate?

Q2. What are you and / or your team's plans for the next year to ensure you provide compassionate and equitable care?

Q3. How do you care for yourself and your colleagues on a daily basis?

Q4. How are you and / or your team going to develop your Big Conversations over the next year?
