

WE'RE HERE TO HELP

We're **Home Energy Scotland**, the Scottish Government's free energy advice service. We provide impartial advice and support to help people stay warm, make the best use of energy and save money on their bills.

Lots of people have seen their energy costs soar recently. If you're worried about this, we can offer support.

We can help with:

- Impartial advice on ways to save energy and reduce fuel costs while staying warm at home
- Advice about grant and interest-free loan funding for heating, insulation and more
- Practical help if you find yourself without heating or hot water
- The latest information about extra help from energy suppliers
