

GET READY FOR Physiotherapy

Your future starts here

Are you considering a career in Physiotherapy? The NHSGGC Get Ready for Physiotherapy programme offers a valuable opportunity to gain firsthand experience. You will spend a day shadowing professionals in a busy hospital environment and observe two different clinical areas—ideal for those interested in seeing the range of places physiotherapists work.

To apply to be added to the invite list for a place on the events please use [link](#) or QR code

PROGRAMME DETAILS
