

GET READY FOR MIDWIFERY (IN PERSON)

Your future starts here

Are you interested in a rewarding career supporting women, babies and families? NHS Greater Glasgow & Clyde invites you to take part in our Midwifery Careers Insight Programme – an engaging and informative experience designed to help you explore a career in midwifery and understand the pathways available.

About the Programme

This insight programme offers a unique opportunity to:

- Learn about the role of a midwife and the impact they make across maternity services
- Gain an understanding of the skills, values and qualities required to succeed
- Hear directly from experienced midwives and healthcare professionals
- Explore education and career pathways into midwifery
- Get a glimpse into a typical day in the life of a midwife

The programme provides a meaningful introduction to midwifery, helping you make informed decisions about your future.

These events have replaced traditional “shadowing” work experience

We welcome applications from:

- Senior phase school pupils (S4–S6)
- School leavers and college students
- Individuals considering a career change
- Anyone interested in midwifery living within the NHS Greater Glasgow & Clyde area

Supporting Diversity in Midwifery

NHS Greater Glasgow & Clyde is committed to building a workforce that reflects the diverse communities we serve.

We particularly welcome and encourage applications from individuals from Black, Asian and Minority Ethnic (BME) backgrounds, who are currently under-represented within the profession. Your perspective, experiences and voice are important in shaping inclusive, culturally competent maternity services.

This programme aims to provide a supportive and inclusive environment where you can:

- Build confidence in exploring a career in healthcare
- Access guidance and resources to support your journey
- Connect with professionals and role models within maternity services
